A close-up photograph of a metal casting, likely a valve or fitting, showing a patent stamp. The stamp is embossed into the metal surface and reads "U.S. PAT. NO" on the first line and "5495773" on the second line. The metal has a rough, textured appearance. The stamp is located on the side of the casting, which has a flange at the top and a curved bottom. The lighting is somewhat dim, highlighting the texture of the metal and the details of the stamp.
