(NV002-B)

1299251

This image shows a close-up of a dark, textured metal casting. At the top, a cylindrical metal part is visible. Below it, two rectangular sections of the casting are stamped with the numbers '1299251' and '20759'. In the bottom right corner, there is a circular feature with a five-pointed star-shaped hole in the center. The metal surface is rough and appears to be part of a larger mechanical assembly.

20759
